

## Smart assessments to kick-start your journey towards execution excellence

### About us

Metis ERC is a boutique management consulting firm specialising in strategy implementation & execution. We work with organisations to improve outcomes and resolve challenges around Customers, Growth, Innovation, Operations and People. Our unique methodology focuses on strategic alignment and optimising execution capabilities across the organisation to achieve the desired intent.

Metis Online was established to assist organisations and individuals get better at strategy execution and implementation. The assessment tools are well researched and designed by our team of consultants having years of experience in both building assessment centers and strategy execution consulting.

Over 120+ leaders of organizations across industries have found immense value in our assessment tools.

### Assessments & e-learning
